SALON IN INDIA

- The emergence and growth of the salon industry in India is unparalleled, with the industry set to reach \$190 BILLION by 2024, and there is no sign of slowing down.
- With a giant consumer base entering the salon industry, it is predicted to grow at a CAGR of 15-20% each year.
- With the increased penetration of the internet, higher disposable incomes and elevating need for enhanced lifestyle among the young population, personal grooming has become essential.
- While the pandemic has affected the growth graph, the reopening of salons and owners adapting to the new normal seems to be outlining a different success story.

FTV SALON
