# FTV FOOTWEAR

**“Keep your heels, head and standards high with FTV Footwear.”**

For all the times you needed to invest in a great pair of shoes but finished up getting the ones that lasted less than two months. For the times when your soccer shoes tore separated from a gigantic kick or flew away. Footwear has been an important part of our lives for a long time, right from childhood to adulthood. The footwear collection within the world is plentiful for all of us to select from. But do we all buy only the best in town? So, if you are planning on getting a friend for your feet soon, check out FTV Footwear brand now.

- The FTV Footwear company houses an extensive collection of superior quality shoes, each designed to serve a specific purpose. We deliver you comfort for the feet with equally good looks.
- Our products are durable, rugged, comfortable & stylish, it can also survive all kinds of terrain and weather.
- The brand sells fantastic casual and formal unisex shoes.
- When it comes to fashion, we bring a unique range of collections that you can't say no to, from heels, ballerina shoes, sandals, slippers to about anything stylish, FTV Footwear has it all.
- The footwear is crafted by skilled makers who know what the human feet need.
- There is a wide range of options available, be it in terms of colour, size, pattern or style.

# FTV FOOTWEAR IN INDIA

- Footwear market is predicted to hit \$15.5 billion by 2022, from \$10.6 billion in 2019. India is the 2nd largest producer of footwear and the 5th largest exporter of leather. This presents India to the world, full of opportunities in the footwear sector.
- India is also among the top exporters of footwear. According to World Integrated Trade Solution (WITS) in 2019, India exported footwear to The United States, United Kingdom, Germany, China, France and many more.
- **Factors influencing the growth:**
  - The division is seeing exponential development due to the liberal investment policies in the leather and footwear sector. The government has allowed 100% foreign direct investment (FDI) through the automatic route for the footwear segment.
  - With the progression in technology, innovation, machinery, availability of labour, development of e-commerce and shifting interest of buyers, the prospects for the footwear industry have taken a positive turn.
